

AI Founder-Investor Matcher Results

🏆 Top Investor Matches for FinTechFlow (STP001)

investor_id	investor_name	investor_type	score
INV006	Ben Carter	Angel	85

Reasoning:

FinTechFlow and Ben Carter exhibit a strong match across multiple criteria.

1.
Industry Fit: Excellent. Both are focused on FinTech and SaaS, a perfect overlap.
2.
Stage Fit: Excellent. FinTechFlow is Seed stage, aligning perfectly with Ben Carter's preference.
3.
Funding/Check Size Fit: Good. FinTechFlow seeks \$500,000, which falls within Ben Carter's investment range (\$100,000-\$500,000) and is close to his average check size (\$250,000). The funding request is not problematic.

4.

Geographic Focus: Excellent. Both are located in the USA.

5.

Qualitative Fit: Good. Ben Carter's investment thesis focuses on founder-friendly capital for early-stage SaaS in FinTech infrastructure. FinTechFlow's AI-powered platform for automated financial reporting for SMEs directly addresses this infrastructure need. The 20% MoM user growth and existing pilot customers indicate good traction, further strengthening the case. His portfolio companies (PayAPI|LedgerLite) suggest a focus on similar FinTech solutions, improving the qualitative fit.
